

How to view Iron Gait's LIVE video from your phone.

1. Download the MeShare app available for Android and iOS0

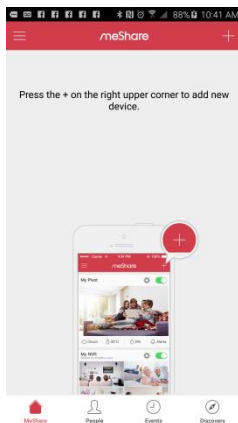

- Android -play.google.com/store/apps/details?id=com.meshare&hl=en

- Iphone - itunes.apple.com/us/app/meshare/id977910819?mt=8

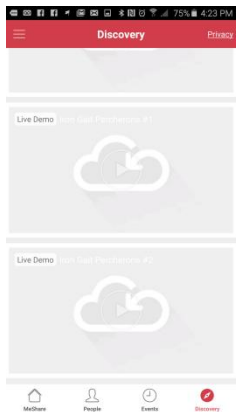

2. Create an account and log in.

3. Scroll one page to the right>> Look for the Discovery tab > bottom right. This will show all the public live videos.

4. Scroll through the videos until you get to the bottom to locate Iron Gait's present two cameras, at the moment we are the last 2 cameras that look offline.

5. Enjoy watching the Sanctuaries while on the go as you wait for appointments, etc...

**More camera's on the way to make a total of 6 for your viewing pleasure*

** We are still working out some bugs so please bear with us.*
